

## SERMON PREVIEW

Reading the Lord's Prayer In Matthew 6 or Luke 11 raises interesting questions, even though the prayer is direct and simple. For instance, when it says "forgive us our sins (debts/trespases) as we forgive those who sin against us," does it mean in the same way we forgive, or "while" we forgive others? Even more perplexing: when we pray "lead us not into temptation," why would a loving God lead anyone into temptation? Let's talk about it Sunday

## MAKE A DIFFERENCE IN SOMEONE'S LIFE

### HELP WITH ENGLISH AS A SECOND LANGUAGE CLASSES

Imagine living in a foreign country where you couldn't speak the language well enough to get a decent job to support your family, especially in today's economy. That's the problem facing many of our immigrant neighbors in the community who came to the U.S. seeking better lives for themselves and their children. Calvary has for many years offered English as a Second Language classes, including use of a computer lab to improve English skills. But we really need help to continue the program: We need teachers, helpers, administrative assistance, and a few folks with computer troubleshooting skills to help in the lab. Classes begin in late September at Calvary. NO teaching experience is required – only a desire to share God's love with some truly extraordinary neighbors. Free training is provided. More information is available at [www.calmeth.org](http://www.calmeth.org). If interested in helping, please contact Scott Inouye at [Calvary\\_ESL@hotmail.com](mailto:Calvary_ESL@hotmail.com) or 703-678-6704. Thank you for your support.
